

Bournemouth

A BIG WELCOME from the committee. We are delighted that you have joined us and we hope that you will enjoy making the most of your choices of groups and activities whilst helping our organisation to thrive. u3a is a nationwide self-help group and at Bournemouth u3a, with over 30 years' experience, we try to meet as many interests as possible. All our Group Leaders are volunteers and we value their skills and knowledge. Last year we had over 850 members which is quite a busy network throughout the town!

*Of course, our aim is to keep the brain ticking,
the feet skipping and the fingers clicking!!*

We would particularly like some feedback from you, our new members. Could you print out and fill in our questionnaire so we can get a clearer picture of you? (**please don't forget to add your name etc.**). At the same time we'd like to pick your brains....
